

Drive Home the Message: Spay and Neuter

Dog and cat overpopulation in New Mexico has reached a crisis level. Over 65,000 dogs, cats, kittens, and puppies are euthanized every year.

You can help solve this tragic and costly problem by purchasing a Spay/Neuter License Plate. \$25 of each plate sold will be used to fund affordable spay/neuter services statewide.

Together, we can ride into a brighter future for animals and our communities.
